Submitting Your Application

Dates: Applications are due to OFBCI by **November 01, 2011** at 5:00 p.m. Eastern Time.

Use these instructions in conjunction with the *Notice of Funds Available* or *Notice of Federal Funding Opportunity (Notice)* for the year in which you are applying, and the AmeriCorps Regulations, 45 CFR §§ 2520–2550. **The *Notice* includes deadlines, eligibility requirements, submission requirements, and other information that changes year-to-year for all AmeriCorps grant programs.**

The *Notice* can be found at http://www.americorps.org/for_organizations/funding/nofa.asp. The full regulations are available online at www.gpoaccess.gov/ecfr.

If there is any inconsistency between the AmeriCorps regulations, the *Notice*, and the Application Instructions, the order of precedence is as follows:

1. AmeriCorps regulations 45 CFR §§ 2520–2550 take precedence over the
2. *Notice of Federal Funding Opportunity*, which takes precedence over the
3. Application Instructions.

Your application consists of the following components. Please make sure to complete each section.

- I. Narratives
- II. Budget
- III. Proof of 501 © 3 Status (if applicable)
- IV. A copy of the organization's most recent audited financial statements, including an A-133 audit, if applicable. If your organization has not had a formal audit, please submit the organization's most recent financial reports.

All items must be received by our office by the deadline, Tuesday, November 01, 2011 at 5:00 P.M. (Eastern Time). Items may be submitted via email to Jeremy Gaskill at jgaskill@ofbci.in.gov.

NOTE: Any submission that fails to meet all application requirements will not be reviewed.

I. Narratives

The narrative section of the application is your opportunity to convince reviewers that your project meets the selection criteria. Below are some general recommendations to help you present your project in a way the reviewers will find compelling and persuasive.

- **Lead from your program strengths and be explicit.** Do not make the mistake of trying to stretch your proposed program description to fit each funding priority and special consideration articulated in the regulations or the *Notice*.
- **Be clear and succinct.** Reviewers are not interested in jargon, boilerplate, rhetoric, or exaggeration. They are interested in learning precisely what you intend to do, and how your project responds to the selection criteria presented below.
- **Avoid circular reasoning.** The problem you describe should not be defined as the lack of the solution you are proposing.
- **Explain how.** Avoid simply stating that the criteria will be met. Explicitly describe how the proposed project will meet the criteria.
- **Don't make assumptions.** Even if you have received funding from CNCS in the past, do not assume your reviewers know anything about you, your proposed program, your partners, or your beneficiaries. Avoid overuse of acronyms.
- **Use an impartial proofreader.** Before you submit your application, let someone who is completely unfamiliar with your project read and critique the project narrative.
- **Follow the instructions and discuss each criterion in the order they are presented in the instructions.** Use headings to differentiate narrative sections by criterion.

You may not exceed 14 double-spaced pages for the Narratives, including the Executive Summary and Cover Page. Reviewers will not consider material submitted over the page limit. Narratives should be created using 12 point Times New Roman font and should be submitted in Word format.

External and staff reviewers will assess your application against the selection criteria. The bullets that follow the criteria are recommendations on how to best respond to the criteria. To best respond to the criteria, we suggest that you include a brief discussion of each bullet if it pertains to your application.

A. Executive Summary

Please provide a one-paragraph executive summary of your proposed program. This paragraph must be one-half page or less. The summary should include who, what, where, and why:

- Who will be serving? Who will be served?
- What will the AmeriCorps members do?
- Where will the activity take place?
- What is the expected outcome(s) of the project?

You may fill in the blanks in the following template to complete your executive summary.

This planning grant will be utilized to develop an AmeriCorps program which will engage AmeriCorps members (members) to [*AmeriCorps member activities*] in [*geographic locations*]

where member activities will take place]. Members will address the needs of [*beneficiaries to be served*] resulting in [*anticipated outcome of project*]. Program activities will primarily be in the areas of [*identify the relevant CNCS focus areas*].

CNCS may post these summaries on www.nationalservice.gov in the interest of transparency and Open Government.

B. Rationale and Approach/Program Design

1. Describe why you are applying for a planning grant and what you hope to achieve during the one year planning period, including but not limited to:
 - The problem you plan to solve with your AmeriCorps program
 - Evidence that the need exists.
 - What AmeriCorps members would do to meet the need
 - The target communities the program would serve.
2. Provide a) a detailed description of your planning process, b) a timeline for planning activities, and c) how you will use the planning period to develop your capacity to effectively manage an AmeriCorps program including, but not limited to:
 - Determining the most appropriate AmeriCorps member activities to address the identified community need.
 - Determining the desired characteristics of AmeriCorps members and designing a recruitment strategy.
 - Developing a performance measurement system to ensure that reliable data is gathered to demonstrate impact on the communities to be served.
 - Creating a process for selecting operating and service sites (if applicable) that will ensure the most appropriate and capable organizations are selected.
 - Planning orientation and training for operating and service sites (if applicable).
 - Planning orientation and training for AmeriCorps members.
 - Ensuring you have the ability to provide or secure effective technical assistance (if applicable).

C. Organizational Capability

Identify the primary and secondary contacts for the grant application. Describe your organization's ability to successfully plan an AmeriCorps program, including but not limited to:

- Record of accomplishment.
- Prior experience administering federal funds.
- Prior experience in the proposed area of programming.
- The management and staff structure and the role the board of directors, administrators, and staff will play in the planning process.
- Systems and processes for sound programmatic and fiscal oversight or plans to develop this capacity.

Special Circumstances

In applying the organizational capability criteria to each proposal, reviewers may also take into account the following circumstances of individual organizations:

- The age of your organization and its rate of growth.
- Whether your organization serves a resource-poor community, such as a rural or remote community, a community with a high poverty rate, or a community with a scarcity of philanthropic and corporate resources.

If you feel that any of the circumstances stated above have an impact on your organizational capability that has not already been discussed, please describe the circumstance and how it affects your organizational capacity.

D. Cost Effectiveness and Budget Adequacy

1. Describe your plans to develop a cost-effective program including how you will develop diverse resources that will support your program implementation and sustainability.
2. Discuss the adequacy of your budget to support the planning process including your match.
3. Describe how you will secure any additional commitments you need for the planning grant.

In applying the cost-effectiveness criteria, the ICCSV and CNCS will take into account the following circumstances of individual programs: program age, or the extent to which your program brings on new sites; whether your program or project is located in a resource-poor community, such as a rural or remote community, a community with a high poverty rate, or a community with a scarcity of corporate or philanthropic resources; whether your program or project is located in a high-cost, economically distressed community, measured by applying appropriate Federal and State data; and whether the reasonable and necessary costs of your program or project are higher because they are associated with engaging or serving difficult-to-reach populations, or achieving greater program impact as evidenced through performance measures and program evaluation.

V. Documents

In addition to the application, you will be required to provide proof of 501 © 3 status, and the organization's A-133 audit. These supplementary documents may be submitted in hard copy or e-mail, as part of your application. All items must be submitted by the November 01, 2011 deadline for your application to be considered. Should you have questions please contact Jeremy Gaskill at jgaskill@ofbci.in.gov.

VI. Budget Instructions for Planning Grant Applicants

A. Overview of Key Budget Requirements

Program requirements, including requirements on match are located in the AmeriCorps regulations, modified by appropriations language, and summarized below. Administrative costs must not exceed 5% of the total CNCS funds requested.

- You must match with cash or in-kind contributions at least 24% of the project's total budget.
- The acceptable sources of matching funds are federal, state, local, private sector, and/or other funds in accordance with applicable AmeriCorps requirements.

- Identify the source and total dollar amount of cash match from private, state and local and federal funds, the source type, and total amounts of in-kind support. Define all acronyms the first time they are used.

Note: Legislation permits the use of non-CNCS federal funds as match for the grantee share of the budget. Please discuss your intention of using federal funds to match an AmeriCorps grant with the other agency prior to submitting your application. Section 121(e)(5) of the National Community Service Act requires that grantees that use other federal funds as match for an AmeriCorps grant report the amount and source of these funds to CNCS. The Federal Financial Report (FFR) will be used to collect the federal match data. Grantees that use federal funds as match will be required to report the sources and amounts on the FFR.

B. Preparing Your Budget

Your proposed budget should be sufficient to allow you to perform the tasks described in your narrative. Reviewers will consider the information you provide in this section in their assessment of the Cost-Effectiveness and Budget Adequacy selection criterion.

Follow the detailed budget instructions in Appendix A to prepare your budget. We recommend that you prepare your budget in the same order as indicated in the Budget Worksheet in Attachment B. The Budget Checklist in Attachment C is a resource for you to ensure your budget is complete.

Please note that Attachments A, B and C include all budget line items for operating grants. **The line items that pertain to Planning Grants are Section I and III.**

As you prepare your budget:

- All the amounts you request must be defined for a particular purpose. Do not include miscellaneous, contingency, or other undefined budget amounts.
- Your detailed budget narrative must provide an itemized explanation of proposed costs, including their purpose.
- Present the basis for all calculations in the form of an equation.
- Do not include unallowable expenses, e.g., entertainment costs (which include food and beverage costs) unless they are justified as an essential component of an activity.
- Do not include fractional amounts (cents).

Please refer to the relevant OMB Circulars on allowable costs for further guidance. The OMB circulars are online at www.whitehouse.gov/OMB/circulars.

- A-21 - Cost Principles for Educational Institutions, 2 CFR 220
- A-87 - Cost Principles for State, Local, and Indian Tribal Governments, 2 CFR 225
- A-122 - Cost Principles for Non Profit Organizations, 2 CFR 230

Programs must comply with all applicable federal laws, regulations, and OMB circulars for grant management, allowable costs, and audits, including providing audits to the A-133 clearinghouse if expending over \$500,000 in federal funds, as required in OMB Circular A-133.

ATTACHMENT A: Detailed Budget Instructions

Section I. Program Operating Costs

Complete Section I, Program Operating Costs, of the Budget Worksheet by entering the “Total Amount,” “CNCS Share,” and “Grantee Share” for Parts A-I, as follows:

A. Personnel Expenses

Under “Position/Title Description,” list each staff position separately and provide salary and percentage of effort devoted to this award. Each staff person’s role listed in the budget must be described in the application narrative and each staff person mentioned in the narrative must be listed in the budget. Because the purpose of this grant is to enable and stimulate volunteer community service, do not include the value of direct community service performed by volunteers. However, you may include the value of volunteer services contributed to the organization for organizational functions such as accounting, audit work, or training of staff.

B. Personnel Fringe Benefits

Under “Purpose/Description,” identify the types of fringe benefits to be covered and the costs of benefit(s) for each staff position. Allowable fringe benefits typically include FICA, Worker’s Compensation, Retirement, SUTA, Health and Life Insurance, IRA, and 401K. You may provide a calculation for total benefits as a percentage of the salaries to which they apply or list each benefit as a separate item. If a fringe benefit amount is over 30%, please list separately. Holidays, leave, and other similar vacation benefits are not included in the fringe benefit rates but are absorbed into the personnel expenses (salary) budget line item. Uncommon or exceptionally high-cost benefits should be itemized and justified.

C. 1. Staff Travel

Describe the purpose for which program staff members will travel. Provide a calculation that includes itemized costs for airfare, transportation, lodging, per diem, and other travel-related expenses multiplied by the number of trips/staff. Where applicable, identify the current standard reimbursement rate(s) of the organization for mileage, daily per diem, and similar supporting information. The standard mileage reimbursement should not exceed the federal mileage rate unless a result of applicant policy and justified in budget narrative. Only domestic travel is allowable.

We expect applicants to include funds in this line item for travel for staff and site staff to attend CNCS-sponsored technical assistance meetings. There are two to three such opportunities per year, including opportunities for new program startup, financial training, and the National Conference on Service and Volunteering.

For example: two staff members will attend the National Conference on Service and Volunteering.

2 staff X \$750 airfare + \$50 ground transportation + \$400 lodging + \$35 per diem = \$2,470 for national conference.

Budgeting for Indiana AmeriCorps*State Events:

Your budget should include support for staff attendance at OFBCI-sponsored trainings and events in or near Indianapolis, including a Program Directors' summer orientation (tentatively scheduled for 2 days), Opening Ceremony and Governor's Conference, a member retreat and 3-4 additional, full-day training dates during the year. This includes per diem, hotel, parking, and mileage. In addition to these costs, please include up to \$100 for potential registration fees.

C. 2. Member Travel

D. Equipment

N/A.

E. Supplies

Include the amount of funds to purchase consumable supplies and materials that cost under \$5,000 per unit. Items over \$5,000 are considered equipment and are not allowed as a budget cost for planning grants. You must individually list any single item costing \$1,000 or more.

F. Contractual and Consultant Services

Include costs for consultants related to the project's operations, except training consultants, who will be listed in Sections G., below. Payments to individuals for consultant services under this grant may not exceed \$750 per day (excluding costs for indirect expenses, travel, supplies, etc.). The \$750 daily rate is a ceiling, and we anticipate budgeted daily rates at considerably lower levels. Indicate the daily rate, number of days, and total cost for consultants you are proposing to use and their contractual services.

G. 1. Staff Training

Include the costs associated with training staff on project requirements and training to enhance the skills needed for effective project implementation, i.e., project or financial management, team building, etc. If using a consultant(s) for training, indicate the estimated daily rate, not to exceed the maximum daily rate limit of \$750.

G. 2. Member Training

H. Evaluation

I. Other Program Operating Costs

Allowable costs in this budget category should include when applicable:

- Criminal history background checks for any employees or other individuals who receive a salary, education award, living allowance, or stipend or similar payment from the grant (federal or non-federal share).
- Office space rental for projects operating without an approved indirect cost rate agreement that covers office space. If space is budgeted and it is shared with other

projects or activities, the costs must be equitably pro-rated and allocated between the activities or projects.

- Utilities, telephone, Internet and similar expenses that are specifically used for AmeriCorps project staff, and are not part of the organizations indirect cost/admin cost allocation pool. If such expenses are budgeted and shared with other projects or activities, the costs must be equitably pro-rated and allocated between the activities or projects.

Section II. Member Costs

All Member Costs are N/A.

Section III. Administrative/Indirect Costs

Definitions

Administrative costs are general or centralized expenses of the overall administration of an organization that receives CNCS funds and do not include particular project costs. These costs may include administrative staff positions. For organizations that have an established indirect cost rate for federal awards, administrative costs mean those costs that are included in the organization's indirect cost rate agreement. Such costs are generally identified with the organization's overall operation and are further described in Office of Management and Budget Circulars A-21, A-87, and A-122.

Options for Calculating Administrative/Indirect Costs (choose either A. OR B.)

Applicants choose one of two methods to calculate allowable administrative costs – a CNCS-fixed percentage rate method or a federally approved indirect cost rate method. Regardless of the option chosen, the CNCS share of administrative costs is limited to 5% of the total CNCS funds **actually expended** under this grant.

A. CNCS Fixed Percentage Method

Five Percent Fixed Administrative Costs Option

The CNCS-fixed percentage rate method allows you to charge administrative costs up to a cap without a federally approved indirect cost rate and without documentation supporting the allocation. If you choose the CNCS-fixed percentage rate method, you may charge, for administrative costs, a fixed 5% of the total of CNCS funds expended. In order to charge this fixed 5%, the grantee match for administrative costs may not exceed 10% of all direct cost expenditures.

1. To determine the CNCS share for Section III: Multiply the sum of the CNCS funding shares of Sections I and II by 0.0526. This is the maximum amount you can request as CNCS share. The 5% maximum is calculated by multiplying the sum of the CNCS share of Section I and Section II by the factor 0.0526. The factor 0.0526 is used to calculate the maximum amount of federal funds that may be budgeted for administrative (indirect) costs, rather than 0.0500, as a way to mathematically compensate for determining Section III costs when the total budget (Sections I + II + III) is not yet established. Enter this amount as the CNCS share for Section III A.

2. To determine the Grantee share for Section III: Then multiply the total (both CNCS and grantee share) of Sections I and II by 10% (0.10) and enter this amount as the grantee share for Section III A.
3. Enter the sum of the CNCS and grantee shares under Total Amount.

The ICCSV elects to retain a 1% share of the 5% of federal funds available to programs for administrative costs. To calculate these fractional shares, within Section III of the subgrant budget, **one-fifth (20%) of the federal dollars budgeted for administrative costs is allocated to the commission's share and four-fifths (80%) of the federal dollars budgeted for administrative costs are allocated to the program's share. The allocation between commission and program shares should be calculated as follows:**

$([\text{Section I}] + [\text{Section II}] \times 0.0526) \times (0.20) = \text{Commission Share}$

$([\text{Section I}] + [\text{Section II}] \times 0.0526) \times (0.80) = \text{Subgrantee Share}$

B. Federally approved Indirect Cost Rate

If you have a federally approved indirect cost rate and choose to use it, the rate will constitute documentation of your administrative costs, including the 5% maximum payable by CNCS. Specify the Cost Type for which your organization has current documentation on file, i.e., Provisional, Predetermined, Fixed, or Final indirect cost rate. Supply your approved IDC rate (percentage) and the base upon which this rate is calculated (direct salaries, salaries and fringe benefits, etc.). It is at your discretion whether or not to claim your entire IDC rate to calculate administrative costs. If you choose to claim a lower rate, please include this rate in the Rate Claimed field.

1. Determine the base amount of direct costs to which you will apply the IDC rate, including both the CNCS and Grantee shares, as prescribed by your established rate agreement (i.e., based on salaries and benefits, total direct costs, or other). Then multiply the appropriate direct costs by the rate being claimed. This will determine the total amount of indirect costs allowable under the grant.
2. To determine the CNCS share: Multiply the sum of the CNCS funding share in Sections I and II by 0.0526. This is the maximum amount you can claim as the CNCS share of indirect costs.
3. To determine the Grantee share: Subtract the amount calculated in step b (the CNCS administrative share) from the amount calculated in step a (the Indirect Cost total). This is the amount the applicant can claim as grantee share for administrative costs.

Section IV. Match

Source of Match

In the “Source of Match” field that appears at the end of the Budget Sections, enter a brief description of the Source of Match, the amount, the match classification (Cash, In-kind, or Not Available) and Match Source (State/Local, Federal, Private, Other or Not Available) **for your entire match.** Define any acronyms the first time they are used.

In Compliance?	Section I. Program Operating Costs
Yes ___ No ___	Costs charged under the Personnel line item directly relate to the operation of the AmeriCorps project? Examples include costs for staff that recruit, train, place, or supervise members as well as manage the project.
Yes ___ No ___	Staff indirectly involved in the management or operation of the applicant organization is funded through the administrative cost section (Section III.) of the budget? Examples of administrative costs include central management and support functions.

You may provide a calculation for total benefits as a percentage of the salaries to which they apply or list each benefit as a separate item. If the fringe amount is over 30%, please list separately. Holidays, leave, and other similar vacation benefits are not included in the fringe benefit rates but are absorbed into the personnel expenses (salary) budget line item?
Yes ___ No ___	Holidays, leave, and other similar vacation benefits are not included in the fringe benefit rates but are absorbed into the personnel expenses (salary) budget line item?
Yes ___ No ___	The purpose for all staff and member travel is clearly identified?
Yes ___ No ___	You have budgeted funds for staff travel to CNCS sponsored meetings in the budget narrative under Staff Travel?
Yes ___ No ___	Funds to pay relocation expenses of AmeriCorps members are not in the federal share of the budget?
Yes ___ No ___	Funds for the purchase of equipment (does not include general use office equipment) are limited to 10% of the total grant amount?
Yes ___ No ___	All single equipment items over \$5000 per unit are specifically listed?

Yes ___ No ___	Are all consultant services budgeted below the maximum federal daily rate of \$750/day? Is the daily rate noted in all sections of the budget narrative where consultants are proposed?
Yes ___ No ___	Does the budget reflect adequate budgeted costs for project evaluation?
Yes ___ No ___	Have you provided budgeted costs for background checks of members and grant-funded staff that are in covered positions per 45 CFR 2522.205?
Yes ___ No ___	Are all items in the budget narrative itemized and the purpose of the funds justified?

In Compliance?	Section II. Member Costs
Yes ___ No ___	Are the living allowance amounts correct? Full-time AmeriCorps members must receive at least the minimum living allowance as indicated in the chart in the budget instructions. Note: Programs in existence prior to September 21, 1993 may offer a lower living allowance than the minimum. If such a program chooses to offer a living allowance, it is exempt from the minimum requirement, but not from the maximum requirement.
Yes ___ No ___	Living allowances are not paid on an hourly basis? They may be calculated using service hours and program length to derive a weekly or biweekly distribution amount. Divide the distribution in equal increments that are not based on the specified number of hours served.
Yes ___ No ___	Is FICA calculated correctly? You must pay FICA for any member receiving a living allowance. Unless exempted by the IRS, calculate FICA at 7.65% of the total amount of the living allowance.
Yes ___ No ___	Is the Worker's Compensation calculation correct? Some states require worker's compensation for AmeriCorps members. Check with your local State Department of Labor or State Commission to determine whether or not you are required to pay worker's compensation and at what level (i.e., rate). If you are not required to pay worker's compensation, you need to provide similar coverage for members' on-the-job injuries through their own existing coverage or a new policy purchased in accordance with normal procedures (i.e., Death and Dismemberment coverage).
Yes ___ No ___	Health care is provided for full-time AmeriCorps members only (unless part-time serving in a full-time capacity)? If your project chooses to provide health care to other half-time members, you may not use federal funds to help pay for any portion of the cost. Projects must provide health care coverage to all full-time members who do not have adequate health care coverage at the time of enrollment or who lose coverage due to participation in the project. In addition, projects must provide coverage if a full-time member loses coverage during the term of service through no deliberate act of his/her own.

In Compliance?	Section III. Administrative/Indirect Costs

Yes ___ No ___	Applicant has chosen Option A – CNCS-fixed percentage method and the maximum grantee share is at 10% or less of total budgeted funds?
Yes ___ No ___	Applicant has chosen Option B – federally approved indirect cost rate method and documentation submitted to CNCS if multi-state, state or territory without commission or Indian Tribe applicant?
